

# Two-Day Course on Managerial Effectiveness

## PROGRAMME OVERVIEW

Managerial Effectiveness is fast becoming a competitive advantage for organisations, especially, in the context of high demand for and, therefore, continuous migration of competent managers from one organisation to another. Organisations, therefore, have started investing in retaining competent managers and putting in place systems for developing new cadre of effective managers. It is in wake of these contextual factors that this programme on Managerial Effectiveness is being conducted.

## LEARNING FROM THE LEADERS...

The trainers have more than 30 years of industrial experience in the field of HR management including interpretation, application and consultation on legal requirements in various types of industries across different states in India. They share practical approach in compliance through structured case studies, blended with theoretical inputs.

**Team It Up  
With Training!**

## COURSE COVERAGE

Managerial Effectiveness is often defined in terms of output - what a manager achieves. This result oriented definition leads us to look for the factors that contribute towards the "results".

- Role and position of a manager in an organisation
- Managerial effectiveness in improving productivity
- Skills of a manager
  - Goal setting, Prioritization and time management
  - Effective communication
  - Managing interpersonal relationship
  - Problem solving and decision making
